EXPERIENCE

Academic experience that relates to leadership, empathy, and interaction design.

STUDENT LEADER
International Student Ambassador

2014 - PRESENT

Helping build California College of the Arts' international student community. Introducing different cultures to the school and embracing multiple cultures with students. Planning out school events and holding events.

FOUNDER & PRESIDENT
Chinese Students and Scholars Association

2015 - PRESENT

Building the Chinese Student Association to support Chinese Students at California College of the Arts to help them succeed in school. Keeping the Chinese Student Community together.

CONFERENCE VOLUNTEER
Interaction15 Award Conference

2015

Helped organize event and assisted keynote speakers. Helped support attendees' user experience. Attended most keynote speeches that brought up the most up-to-date Interaction Design progression from across the world.

COORDINATOR
Donation Event In Yunnan, China

2011 - 2012

Coordinated events between two different schools to donate money to the people of a remote area in Yunnan, China. Engaged people on the street through storytelling and personally researched the quality of life during a visit to Shangri-La.
